

NSW RFS RANK DECAL APPLICATION INSTRUCTIONS

RANKRFS COMS CAPT++ KIT CONTENTS

2x Rank Wording white lettering "COMMUNICATIONS" (1 small & 1 large)

RANK / POSITION: COMMUNICATIONS CAPTAIN

BEFORE GETTING STARTED

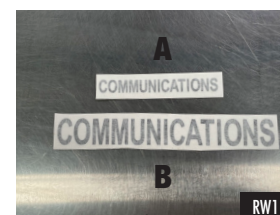

- Remove the helmets Face Shield if it's attached.
- Use a soft cloth to clean the helmet shell of dirt and debris that may prevent the decals from adhering properly. We're using a microfiber cloth for the purposes of these instructions.

RANK WORDING

RANK WORDING IS AVAILABLE IN DIFFERENT COLOURS AND CONFIGURATIONS DEPENDING ON YOUR RANK / POSITION. FOR THE PURPOSES OF THESE INSTRUCTIONS, 'COMMUNICATIONS' IS PICTURED.

- RW1. There are two stickers in the Rank wording kit - one small text (a) and one large text (b).
 RW2. They are positioned on the helmet in the valley on either side of the second ridge from the center.
 RW3. Sticker "A", is the small text and has been resized to fit between the Easi On Off Torch Base and the front of the helmet.
 RW4. Run your thumb over the letters to ensure they are adhered to the face paper.
 RW5. Align the sticker with the edge of the Easi On Off Torch Base.
 RW6. Slowly and carefully remove the backing paper from the letters - the adhesive side will now be exposed.
 RW7. Apply the sticker, aligned with the Easi On Off Torch Base.
 RW8. Continue with sticker "B", the large text.
 RW9. Run your thumb over the letters several times with the face paper still attached to make sure they are firmly adhered and to press out bubbles and creases.
 RW10. Remove the face paper.
 RW11. Looking at the front of the helmet - align your second rank word with where the first one ended on the right hand side.
 RW12. Run your thumb over the letters on the second sticker a few times to ensure they're all adhered to the face paper and the sticker is ready for application.
 RW13. Slowly and carefully remove the backing paper from the letters.
 RW14. Apply the sticker, aligned with your first rank wording sticker.
 RW15. Run your thumb over the letters several times with the face paper still attached to make sure they are firmly adhered and to press out bubbles and creases.
 RW16. Remove the face paper.
